SIXTEENTH ANNUAL REPORT
OF THE
BOARD OF MANAGERS
OF THE
PRESBYTERIAN HOSPITAL
OF THE
CITY OF CHICAGO.

To the Members of the Society:

As is our usual custom, the Board of Managers herewith present you with a concise statement of the work of the Hospital during the fiscal year just closed.

The several reports show that in various ways the work of the past year is in advance of that of former years; more patients have been treated, more general service rendered and much greater relief extended. The Treasurer's report shows that to our investment fund \$61,000 has been added; \$6,000 from the estate of Miss Phœbe Carter, which is a partial distribution of her bequests, the balance to be paid when the remainder of the estate can be closed to better advantage. Also \$50,000 from Mrs. A. J. Averell to endow the A. J. Averell Memorial Ward. In thus perpetuating the memory of Mr. Averell his wife has only perpetuated his benefactions to the Hospital which began when it was first founded. The ward thus endowed was fitted up in accordance with the wishes of Mrs. Averell, and formally dedicated, since which time it has been continuously occupied. A few years ago Mrs. William Armour presented a similar amount to the Hospital to endow a ward of ten beds—since that time the William Armour Memorial Ward have become household words in the Hospital and among its friends. Also \$5,000 from Mrs. S. P. McDivitt to endow in perpetuity the Mary Day McDivitt child's bed in the children's ward. Mrs. McDivitt has for the past ten years supported this bed by the annual payment of \$300 a year, but in removing from the city she has very generously placed upon the shoulders of your Board the most agreeable duty of supporting this bed from the interest derived from this permanent endowment. To these generous donors we not only express our hearty thanks for their handsome gifts, by means of which the work of the Hospital may be extended, but we desire to assure them of our appreciation of their confidence in the Hospital as able to maintain its promises in the maintenance of perpetual permanent endowments. We are likewise indebted to Mr. William and Mr. Edward T. Blair for their purchase of an X-ray outfit for the Hospital. This addition to our armamentarium is growing of incalculable value every day. It not only admits of greater precision in diagnosis, but has already proven to be effectual aid in deciding upon a proper course to pursue in the treatment of cases requiring surgical interference.

An additional source of revenue has been our annual Hospital concert. This function, though up to its usual standard of high-class artistic merit, did not quite net the Hospital as much as the previous year, nevertheless, the result was most satisfactory and was greatly in excess of what could reasonably have been expected in view of the combination of circumstances which conspired against us. This gratifying achievement was for the most part due to the untiring labors of our esteemed Mrs. Charles D. Hamill, President of the Ladies' Board, and the other faithful women of the Board who have proven their fidelity by their works on similar previous occasions.

The Hospital operating account for the year, inclusive of supplies for endowed rooms and ward, and Roentgen Ray and laboratory furnishings, amounted to \$94,275.63, for expense taxes, insurance, etc., upon the property of the Society the sum of \$3,237.46 was expended, making a total outlay of \$97,513.09. The receipts from all sources available for current and special expense amounted to \$93,246.52. There were 2,174 new admissions as against 2,058 for the previous fiscal year, and 72,259 days of treatment as against 68,484 of the year 1897 and 1898. At the end of the previous fiscal year there were 219 remaining, making a total of 2,393 patients treated during the year. Of the days of treatment 48,561 were pay or part pay, and 23,698 entirely free. The daily average of free patients was 65, and pay and part pay 132, making a total daily average of 197. The lowest number of patients at any one time was 149; the highest, 244. The lowest number of free patients was 47, and the highest 92. The daily average of patients was 10 greater than the previous year; the daily cost per capita was \$1.29, being four cents less per day than the fiscal year 1897-1898. The average stay of each patient was a fraction over 30 days, and the average expense of the same was about \$39.

The medical and surgical service is in advance of any previous year. Not only have a greater number of cases been treated, but with better equipment and facilities, came better results. This department of the Hospital is still sadly in need of much that could be used to the great advantage of those who are under our immediate care, and also to such as might be benefited indirectly.

While the immediate object of an institution such as ours is to relieve existing suffering, to cure defects, and correct deformities; in short to overcome and counteract the effects of disease, nevertheless, before this, stands that higher and nobler object, the prevention of the same. Therefore, we should steadily keep in mind that we are confronted with the duty of drawing to ourselves every possible aid by which we may be able to prevent that which in many cases we cannot cure. To this end we need better laboratory facilities. This Hospital should not only have ampler means for the study of disease, but it should constantly have in its employ one who could devote much of his time to the intelligent study of the material which an institution of this kind presents.

The religious services remain unchanged. The plan followed hitherto in no case disarranges the Hospital work, and is fraught with good results. The Communion was administered at stated periods during the year to such persons as desired, by Rev. W. H. Reynolds, the assistant pastor of the Third Presbyterian Church. Daily prayer and praise services are held in different wards of the Hospital by the regular visitor, Miss Content Patterson. Sabbath Bible Class services are continued under the wise direction of Miss Wing, supported by the members of Class "D" of the Third Church. During the year these young men have

rendered invaluable services, and have added much to the pleasure of the patients by their artistic decorations of the Chapel on various festival and holiday occasions.

Thanks are due the medical staff for their personal as well as professional interest in the patients; to the nurses for their faithful and thoughtful services, and also to the employees. To the general public is due the special thanks of the Board for the manner in which it so generously responds to the call for support of Hospital enterprises.

Before closing my report I desire to say a few words concerning my predecessor in office, Rev. Dr. John L. Withrow, who resigned his connection with the Hospital in severing his pastorate with the Third Presbyterian Church of our city. To Dr. Withrow is due much praise for the able manner in which the finances were managed and the credit of the Hospital sustained during his administration. His selection as President was most fortunate. At the time of his election the office was in need of a man who could command the esteem and respect of the Church, and at the same time one who enjoyed the confidence of the business public. The former brought the Hospital friends; the latter, money; and this at a time when it needed both more than at any time in its existence. The record of the Hospital and its policy during the past six years has done much to place it upon the sure footing it enjoys to-day, and for this we are in great measure indebted to the wisdom and conservatism of Dr. Withrow. In conclusion, I feel it only due myself to say that I consented to assume the responsibility of the presidency only after I was assured I should be relieved of much of the detail connected therewith and the promise that the Board of Managers would exert every effort to place the Hospital greatly in advance of what it now is, both as to its capacity and efficiency for work. I trust that the members of the Society will heartily co-operate with the Board in developing a plant that is worthy of its name, and which shall be an honor to yourselves and a perpetual blessing to the dependent needy for whom it was founded.

By order of the Board of Managers,

DANIEL K. PEARSONS,
President.

GOVERNMENT.

The affairs of the Society shall be under the direction of the Board of Managers. Such Board shall consist of twenty-four persons, with the addition thereto of the pastors of the First, Second, Third and Fourth Presbyterian Churches of

Chicago, now or hereafter respectively installed, and acting as such pastors respectively. Such pastors are to constitute the Clerical Board.

Said twenty-four persons shall be, as at present, divided into four classes of six (6) each, such division having been made with reference to service for the terms of one (1), two (2), three (3) and four (4) years respectively of those first selected, and so that hereafter six managers shall be elected by the said Board annually, by ballot, to serve on the said Board for four years. Any vacancy occurring in the said Board of Managers, otherwise than by change of pastorate as to said four churches respectively, may be filled in like manner at any stated or special meeting of the said Board: provided, that if the vacancy be not so filled until a meeting of the Society shall occur, the same shall be filled by vote by ballot of the members of the Society attending such meeting.

A President, a Vice-President, a Treasurer, a Secretary, and an Assistant Secretary, shall be elected annually by the said Board of Managers from their own number; provided, however, the Assistant Secretary need not be a manager. Not less than eleven members of said Board shall constitute a quorum for the purpose of electing officers, making or changing By-Laws, or for holding any special meeting, but seven shall be a quorum for all other purposes and for stated meetings. The Board of Managers shall at all times be fully authorized to execute all powers of the Society over all the estate and property of the Society; to it shall be committed the care of the funds of the institution, authority to make By-Laws, Rules and Regulations, and to alter and amend the same; to fill vacancies in their own body, except as above provided, choose the officers of the Society, appoint agents, assistants and attendants, and generally transact the entire business of the Society.

ARTICLE VI.

MEETINGS OF THE BOARD.

The Board of Managers shall hold stated monthly meetings on the third Monday of the month. Special meetings of the Board and of the Society may be called by the President, or, in case of his absence or inability to act, by the Vice-President, or on the requisition of five members of the Board of Managers, but when special meetings are called, the time and place of the meeting, and the subject proposed to be considered, shall be specified in the notice to the members at least two days previous to the meeting, and no other subject shall be acted upon at such meetings.

ARTICLE VII.

ANNUAL MEETING.

The annual meeting of the Society shall be held on the second Monday of April in each year. It shall be the duty of the Board of Managers to make the necessary arrangements for this meeting; to present to the meeting, or adjourned meeting, a report of the proceedings and business matters of the previous year; to exhibit a full and accurate view of the state of the funds and property of the Society; and also to give information of any nature relating to the objects or affairs of the Society which may be of interest or importance. In case of failure to hold the annual meeting on the day specified, a special meeting shall be called for that purpose. An attendance of not less than eleven members, active, annual, life

or honorary, shall be necessary for the transaction of business, except to adjourn to another time.

At such annual or adjourned meeting, six persons shall be chosen to supply the places of the class of Managers whose term of service is about to expire: that is, if vacancies exist. The persons so elected, together with those composing the other classes and the four other members of the Board provided for as aforesaid, shall constitute the Board of Managers for the ensuing year, and shall continue in office until their successors are elected.

ARTICLE VIII.

BOARD OF CLERGYMEN.

There shall be a Clerical Board, to consist of the four clerical *ex-officio* members of the Board, to whom shall be exclusively committed all matters relating to the spiritual and religious ministration of the Hospital. The President of the Board of Managers, or in case of his absence or inability to act, the Vice-President shall be notified of the meetings of the Clerical Board, and when present shall preside and vote at such meetings. It shall be the duty of the Superintendent and Chaplain, when requested, to attend these meetings of the said Board.

ARTICLE IX.

AUTHORITY TO BORROW MONEY.

At the annual meeting of the members of the Society, or at any special meeting thereof, authority may, by a vote of the majority of the members present, be delegated to the President and Treasurer to borrow money to be used solely for the purposes of the Society.

Estimates shall be submitted to any such meeting by the Treasurer and the Finance Committee, from which the amount of money to be borrowed for current expenses or for other necessary outlays before the next annual meeting can be determined.

In carrying out the power hereby given, the President and Treasurer may, from time to time, subject to approval of Finance Committee, execute note or notes, and renew the same without the necessity of any further vote of the members.

ARTICLE X.

AMENDMENTS OF THE CONSTITUTION.

Amendments of the Constitution shall be proposed in writing at a regular meeting of the Board of Managers, and may be acted upon at the next regular meeting of the Board, or a special meeting called for the purpose, and shall be adopted only upon a concurrence of a majority of the Board of Managers.

BY-LAWS

FOR THE GOVERNMENT AND REGULATION OF THE BOARD OF MANAGERS AND OFFICERS GENERALLY.

DUTIES OF THE OFFICERS.

I. OF THE PRESIDENT.

The President shall preside at the meetings of the Society and of the Board of Managers. Unless otherwise ordered by the Board, he shall appoint all committees which do not consist of more than three members, subject to approval by the Board. He shall sign all orders on the Treasurer, directed by the Board of Managers, and shall call special meetings of the Board, agreeably to the Constitution, whenever, in his opinion, the business of the Society requires it, or when requested to do so on the application of five managers. But in calling special meetings he shall have the notices sent to the members, state the general nature or character of the business to come before them, as provided for in Article VI of the Constitution, and such notices shall be mailed or otherwise served at least two days prior to the time appointed for the meeting.

The President shall be *ex-officio* chairman of the Executive Committee, and an advisory member of each of the other standing committees, but without vote in the latter, and shall be notified of the meetings of such committees.

II. OF THE VICE-PRESIDENT.

In case of the absence of the President, the Vice-President shall possess his powers and perform his duties, and in the absence of both President and Vice-President, the managers present at any meeting shall appoint one of their number to preside.

III. OF THE TREASURER.

The Treasurer shall have the custody of all bonds, title deeds and other papers and documents relating to the property of the corporation, and of all moneys belonging thereto. He shall open, in the name of the Hospital, an account with one of the banks in the city of Chicago, to be approved by the Board, and shall deposit all moneys in such bank immediately upon receiving them. He shall keep a proper check and account book, showing the amount of funds in his hands, which shall, at all suitable times, be open to the inspection of the managers. At each stated meeting he shall present an account or abstract thereof, showing the state of the treasury. He shall pay all orders drawn upon him in the manner hereinafter prescribed. He shall execute such resolutions as shall be adopted by the Committee of Finance, relative to the investment of funds. He shall prepare and lay before the Society, at each annual meeting or adjournment of the same, a statement of receipts and expenditures the preceding year of the funds of the Society, and shall show by such statement the manner in which the funds of the Society are invested.

IV. OF THE SECRETARY.

The Secretary shall keep the minutes of the proceedings of the Board of Managers. He shall countersign all orders drawn upon the Treasurer in pursuance of the resolutions of the Board. He shall preserve all records and papers which do not belong to the office of the Treasurer. He shall notify the members of every stated meeting of the Board of Managers by notice addressed

to them through the post office, at least two days before the meeting, and shall give similar notice of the meetings of the Society by notice addressed to the members at their places of business respectively, or last known places of residence, or by publication in a daily city paper for at least two days preceding such meeting, which publication shall be deemed a proper notice. He shall also cause notice to be given to the chairman of each committee of the names of the members thereof, and the object for which they may be appointed. He shall prepare and file such certificates of election and other papers, if any, as may be required to be recorded in the county records.

He shall be Corresponding Secretary *ex-officio*, and shall have charge of the correspondence of the Board, and make such communications in relation to it as may be directed by the managers; but if the Board of Managers find it desirable to do so, they may elect a Corresponding Secretary to discharge these duties and such others as may be devolved upon him.

V. OF THE ASSISTANT SECRETARY.

The Assistant Secretary shall perform such duties as may be required of him by the Secretary or by the Executive Committee.

VI. ELECTION OF COMMITTEES.

The Managers shall elect, at their first stated meeting in the month of April in each year, or as soon thereafter as may be, a Committee of Finance, to consist of five members, of whom the Treasurer shall be one; an Executive Committee of nine members, of whom the President shall be one, three of whom shall form a quorum: an Auditing Committee of two members, and an Electing Committee of five members. These committees shall hold office during the year, and until their successors be chosen, unless otherwise ordered by the Board.

VII. OF THE EXECUTIVE COMMITTEE.

The Executive Committee shall direct or control the affairs of the Hospital during the interim of the meetings of the Board of Managers, but subject to the action and supervision of said Board. They shall keep a fair record of their proceedings, and the same shall be submitted to said Board at its stated meetings, or when required by said Board.

VIII. OF THE FINANCE COMMITTEE.

It shall be the duty of the Committee of Finance to adopt proper means of augmenting the subscription and benefactions, to circulate information concerning the Hospital, to see that the subscriptions are duly received, and to direct the Treasurer in investing the funds. But all investments, except such as may be approved by the Board, shall be in the public stocks of the United States of America, in bonds of the County of Cook or of the City of Chicago, or in such corporate and municipal bonds as the Finance Committee may recommend, or upon bond and mortgage or unincumbered improved real estate in the County of Cook, the estimated value of which shall be twice the amount loaned; and the Committee of Finance shall keep said property fully insured.

IX. OF THE AUDITING COMMITTEE.

The office of the Auditing Committee shall be to examine and report to the Board all accounts against the Society, and also to examine the Treasurer's account at the close of each year, prior to the annual meeting. Said committee shall exam-

ine all securities and vouchers held or taken by the Treasurer, and his books of account from time to time, and report in regard to the sufficiency and regularity of the same respectively.

X. OF THE ELECTING COMMITTEE.

The office of the Electing Committee is to elect persons to be members of the Society, on their complying with the terms prescribed by the Constitution and By-Laws. The committee shall be subject to the following regulation: Four members shall be necessary to constitute a quorum; a candidate shall be elected if a majority of the members present vote in his favor, but such election shall be reported to the Board of Managers, subject to its approval thereof; twenty-four hours' notice shall be given of every meeting of the committee.

XI. APPROPRIATION OF MONEY.

All appropriations of money shall be made by resolution of the Board, and entered on its minutes. Orders for the amount appropriated shall then be drawn on the Treasurer, signed by the President, or, in his absence, by the Vice-President, and countersigned by the Secretary, or, if he be absent, by the Assistant Secretary, or secretary *pro tem.*, which orders, with the receipts of the persons in whose favor they may be drawn indorsed thereon, shall be the Treasurer's vouchers for payments made by him.

XII. ORDER OF BUSINESS.

The order of business shall be as follows :

LADIES' AID SOCIETY

OF THE PRESBYTERIAN HOSPITAL.

With the exception of July and August, meetings of the Ladies' Aid Society have been held regularly throughout the year in the chapel of the Hospital on the first Monday in the month, with an average attendance of fifty-two members.

The interest in the work has been very great, and the Committees have worked well.

The Library Committee has met faithfully each month, and done its constant work in re-covering soiled books and placing new ones on our shelves. One hundred and one books have been received, and eight hundred and fifteen have been renewed.

The Visiting and Devotional Committees have brought cheering reports to each meeting of the Board, and we know that the cheerful word and the hopeful courage they have carried to many a poor patient, worn in mind and body, have gone far in helping the physicians' work.

A good deal of money has been collected from different sources, but the demands upon this Society are so great that a special effort to raise money took again the form of a concert. From this entertainment, which was generously patronized by the friends of the hospital, was realized \$6,148.50, two-thirds of which was paid into the treasury of the Hospital, while one-third goes to carry us over the months when sickness goes on, and supplies must be furnished, even if the workers are seeking rest and vacations.

Our work has been kindly remembered from outside sources, as well, and we gratefully acknowledge favors from points in Indiana and Ohio, from Detroit and Racine, and from the Albany Avenue Congregational Church, and the Needle-Work Guild of America.

Many poor have been welcomed to our kindly care, as the average of free patients has run from sixty-five to eighty-four. Our Hospital is growing—it is a great institution now—and we need to make it greater and more useful to our city. As women, no work interests us more than that for women, and to this end we need to bend our energies toward the erection of a Maternity House, where we may be able to help many poor women through those hours when *great* comfort is not great enough.

The spirit throughout our Hospital is one of sweet helpfulness. Even the children feel it, for at the last Christmas time these little ones collected in our ward, saved of their pennies \$4.00, and secured other gifts, enough to help one hundred others less happy than they to find something bright at Christmas time.

We have enjoyed our working together. Sorrow has come to some of us, and we have comforted each other. Death has entered and taken from us two members who have worked long on this Board, Mrs. Parker and Mrs. Allen. To those who loved them most we reach out in sympathy. Let us begin our New Year with the prayer for strength and zeal to go forward.

MRS. C. D. HAMILL,

President.

REPORT OF FURNISHING COMMITTEE

FOR YEAR ENDING APRIL 1, 1899.

The report of this Committee shows each year an increase in expenditure, but there is always a sufficient reason for the increase.

This year's report shows \$213.69 over that of last year, but there has been a *daily* average of ten patients more, and the sixth floor, which in past years was the servants' dormitory, has been brought in requisition for patients, and has now thirty-four beds in constant use. This means a larger supply of household necessities, and the wonder is not that we spend so much, but that the careful management of the Matron makes what is purchased go so far and last so long.

We have purchased :

Sheets	1,406
Pillow-slips	1,200
Counterpanes.....	249
Blankets.....	100
Bolts of crash for towels	127
Napkins (dozens)	64
Rugs (mitre).....	57

We have also purchased material for patients' and doctors' gowns, and a considerable bill of sundries.

We have spent \$265.83 for china and glass, \$405.15 for kitchen utensils, and \$45.10 for brooms and whisks, making a total expenditure of \$2,873.19.

We are indebted to many friends of the Hospital for gifts, and particularly to the Needlework Guild of America, through Mrs. Hamill, for a donation of 400 garments; to the Kenosha Guild, through Mrs. Newell, for 44 garments; to the Fourth Church for 81 towels; to Mrs. Newell and Miss O'Donnell for 18 night-gowns; to the Circle of King's Daughters, of Highland Park, for bibs for the children's ward; and to the Boys' Charity Club of the South Evanston Presbyterian Church for pictures for the children's ward.

As in past years, the churches throughout the Presbytery have done great quantities of sewing, and to the workroom of the West End Woman's Club we are indebted for the making of 137 nightgowns.

At the beginning of the winter there was some anxiety as to the result of the annual entertainment, but the faithful perseverance of our President, with the co-operation of the Board of Managers, crowned all efforts with success, and the Furnishing Committee rejoiced over the \$2,000 which was added to the treasury of the Ladies' Aid Society.

Respectfully submitted,

MRS. D. W. GRAHAM,
Chairman.
